

# CEO's Introduction Letter

[SEASONS WORLDS International Holding Limited](#)

**SEASONS WORLDS'**

**PERFECT FORMULA**

**For SUCCESS**

**1 + 1 + 1 + 1 + 1 = 10 (Perfect)**

**Retail + Entertainment + Real Estate + Curriculum + Right Financing = 10 (Perfect)**

Georges EmmerSon Caza, CEO

**SEASONS WORLDS** in full association with **SKYLINE CREATION International Limited** from Australia, that we have been working together since OVER five (5) years, **SEASONS WORLDS** introduces to the World, a New Perfect Formula for Success, by bringing together five (5) distinct Elements of Business :

- 1) Retail
- 2) Entertainment
- 3) Real Estate
- 4) Curriculum
- 5) Right Financing

The Section ABOUT of our Web Site gives more information on this Topic.

**SEASONS WORLDS** will definitively help to stimulate the Construction Industry and the GROWTH of the Economy throughout China and the World. Everybody agrees that Africa is the last place on Earth where exponential GROWTH is taking place. We are proud to be part of **IMPACT Africa** and **IMPACT Nigeria**, as well explained in this Web Site. And, we intend to bring **SEASONS WORLDS** to most Countries of the World.

**SEASONS WORLDS** is a Subsidiary of [CACHIZA International Holding Limited](#).

**CACHIZA** is setting up in 2016 Business Operations & Trading Activities in most countries of the World, in association with some of the most dynamic and powerful Financial Organisations of this World.

And therefore, **CACHIZA** will assist in the implementation of **SEASONS WORLDS** in numerous of the major cities of the World, and this in the immediate Future.

How will we be able to achieve such a Dynamic Agenda? By Teaming Up with some of the greatest and most Dynamic Technical Firms and Individuals of this World, such as :

Inventor & Patent Holder: Kevin Ferris (SKYLINE CREATION International Ltd from Australia) that holds the Patent on the Ski Trac and the Intellectual Property Passport on the uniqueness of the Twin Domes & Mall.

Engineers: Meinhardt Engineering from Australia, with 22 offices located in 12 countries. Meinhardt has engineered the new Hong Kong Airport, the Singapore Subway, the Burj-Al Arab Hotel in Dubai, and many more large and very challenging Projects throughout China and the World.

Architects: DesignInc, the world renown Architects from Australia.

CST Covers: USA Dome Specialist, having built over 16,000 Domes in ninety (90) Countries.

ASATI: Asati has built over 5,000 Air Supported Domes throughout the World of any Shapes and Sizes, covering Stadiums, Factories, Golf Courses, etc., and now the Megadome developed by SKYLINE CREATION, being a full and utmost modern City under an Air Supported Roof, without any Pillars.

General Contractor: Chinese large International Contractor Group.

Jilas Group: The International renowned Project Managers Firm.

Several other Technical Firms and sub-Contractors from China and the World.

**OUR TEAM:** Lately, I was telling a top European Businessman and close acquaintance of mine, that I had a Team of around ten (10) Doctors / PHD assisting me. He quickly asked me, laughing, do you run a Hospital? No! No! I was fast to respond, but we have Doctors / PHD & seasoned Professionals affiliated with us from many spheres such as Engineering, Architecture, Management, Corporate Organisation and International Financing, and for sure our seasoned CPA-CA and other Specialists.

With our Team, again, we plan to develop **SEASONS WORLDS** throughout the World, in most Major Cities and this, in a relatively very short Period of Time. And, within **SEASONS WORLDS'** facilities we will have Offices that will promote and assist in all of these Countries, numerous of the 1, 830, 000 Companies from 192 Chinese Cities that are affiliated with the « All of China Federation of Industry and Commerce ».

Yes! **SEASONS WORLDS** is putting everything together to become a « China and Global Game Changer ».
